

Baby Shark party hats

Materials needed:

Party Hats

Construction Paper

Googly Eyes

Double-Sided Tape

Each party hat will need:

- 1 party hat
- 2 eyes
- 2 fins
- 1 white face
- 1 red mouth
- 1 pink tongue

Print and cut out the provided stencils. Then, trace and cut out the mouth, tongue and fins on construction paper. Fold the ends of the fins to make it easier to tape them to the sides of the hats. Then, all you have to do is use double-sided tape to bring it all together, add a couple of googly eyes, two dots for the nose, and your hat is ready to party.
