NARRATOR: The Threshold Fairmont seven piece dining set brings comfort and style together for your outdoor space.

The dining set is shown in front of a white fence background. Six black metal chairs with white cushions are placed around a rectangular dining table with a blue striped rug underneath. Plants are staged around the dining set.

A close-up of the top of the chair shows steel design.

NARRATOR: We designed this casual and stylish set using durable powder and e-coated frames for rust resistance.

The frame pans the table showcasing it's slatted design, which holds a cheese plate and wine glasses.

The edge of the table showcases it's sturdy design. Decorative throw pillows rest on the dining chairs.

Close-ups show the slatted design of the dining table.

NARRATOR: The chairs were made to be stackable to allow for quick and easy storage.

A woman places one of the metal chair frames on top of another.

A close-up shows how the metal chair frames stack on top of another.

NARRATOR: The upholstered cushions feature Velcro straps to stay in place and the fabric is weather and fade resistant.

A Velcro strap attached to the cushion is secured around the frame of the chair.

An armchair is shown with a blue and white wave pillow on it with a white cushion.

NARRATOR: This set includes six chairs and one dining table with slatted frame design and a hole for an umbrella.

A close-up shows the edge of the frame of the steel dining table.

The slated frame of the dining table is shown, along with the umbrella hole.

The entire set of furniture is shown on top of a rug in front of the white background.

NARRATOR: The Threshold Fairmont collection, only available at Target.

The screen fades to white and a red Target Bullseye appears.
