Data Add-On Available	—	—

*With active service. On plans \$35 and up. \$35 Plan uses existing high speed data for hotspot. Plans \$50 and up allocated up to 10GB of non-sharable data per line for hotspot usage, which is counted against their existing high speed data allotment. Once high speed allotment has been exhausted, hotspot cannot be used until next plan cycle. Data Add-On cards are incompatible with hotspot data usage. Hotspot is only available on compatible 4G LTE and 5G devices. **If congested, customers may notice reduced speeds vs carrier postpaid customers that may be further reduced for a small number of customers who use >40GB. Terms and Conditions of Service at SIMPLEMobile.com. International Long Distance: International calls are available to landline and mobile numbers in select destinations only, which are subject to change at any time. Calls must originate from the US or Puerto Rico. Other terms and conditions apply. For personal use only. For a complete list of countries and Terms and Conditions of Service, visit SIMPLEMobile.com.
