

Target Clean: Over the Counter Medicines

OTC products in the Target Clean program are formulated without* the below list of ingredients. Products are also made without synthetic colors, artificial flavors and sweeteners**

To learn more about our approach, please visit the Chemicals page on our corporate website.

*In OTC products, formulated without is defined as < 100 ppm of finished product.

**Synthetic colors, artificial flavors & sweeteners is designated and validated by each brand.

Target Clean: Supplements

Supplement products in the Target Clean program are formulated without* the below list of ingredients. Products are also made without synthetic colors, artificial flavors and sweeteners** Products are third-party certified by NSF or USP to be tested for contaminants, adulterants and label accuracy. Sports Supplement products are also third-party certified as NSF Certified for Sport or Banned Substances Control Group (BSCG) Drug Free. Plus, cruelty free and/or not tested on animals.**

To learn more about our approach, please visit the Chemicals page on our corporate website.

*In Supplement products, formulated without is defined as < 100 ppm of finished product.

**Synthetic colors, artificial flavors & sweeteners, cruelty free and/or not tested on animals is designated and validated by each brand.
