

## Target Clean: Household Essentials

Household Essentials products in the Target Clean program are formulated without\* the ingredients listed below. Plus, cruelty free and/or not tested on animals.\*\*

To learn more about our approach, please visit the Chemicals page on our corporate website.

\*In household essentials products, formulated without is defined as < 100 ppm of finished product.

\*\*Cruelty free and/or not tested on animals is designated and validated by each brand.

## Target Clean: Insecticides

Insecticide products in the Target Clean program are formulated without\* the ingredients listed below. Products also must be classified as a Minimum Risk Pesticide by the EPA, containing only approved low risk active and inert ingredients.

To learn more about our approach, please visit the Chemicals page on our corporate website.

To learn more about EPA Minimum Risk Pesticides, please visit <https://www.epa.gov/minimum-risk-pesticides>.

\*In insecticide products, formulated without is defined as < 100 ppm of finished product.
