◊ Legal Disclaimers

**Power and Battery:** Battery life varies by use and configuration. See [apple.com/batteries](https://apple.com/batteries) for more information.

**Display:** The displays have rounded corners. When measured diagonally as a rectangle, the 13-inch iPad Pro is 13 inches, the 11-inch iPad Pro is 11.1 inches, the 13-inch iPad Air is 12.9 inches, the 11-inch iPad Air and iPad (10th generation) are 10.86 inches, and the iPad mini is 8.3 inches. Actual viewable area is less.

**Storage:** Actual formatted capacity is less and varies due to many factors. Storage capacity subject to change based on software version, settings, and iPad model. 1GB = 1 billion bytes; 1TB = 1 trillion bytes.

**Cellular and Wireless:** Data plan required. 5G is available in select markets and through select carriers. Speeds vary based on site conditions and carrier. For details on 5G support, contact your carrier and see [apple.com/ipad/cellular](https://apple.com/ipad/cellular). Wi-Fi 6E available in countries and regions where supported.

**Accessories:** Accessories sold separately and subject to availability. Compatibility varies by generation. Apple Pencil (1st generation) requires USB-C to Apple Pencil Adapter to work with iPad (10th generation).

**App Store:** Apps are available on the App Store. Title availability is subject to change. Zenless Zone Zero is coming to the App Store soon and is available for preorder now.

**Feature Availability:** Some features may not be available for all countries or all areas. See [apple.com/ios/feature-availability](https://apple.com/ios/feature-availability) for complete list.

**FaceTime:** FaceTime calling requires a FaceTime-enabled device for the caller and recipient and a Wi-Fi connection. Availability over a cellular network depends on carrier policies; data charges may apply.

**Apple Arcade:** Apple Arcade requires a subscription.

**Apple TV:** Apple TV+ requires a subscription.
