

Wormy Brain

Prep Time: 0-15 mins

Total Time: 4 hours 10 min

Servings: 8

Ingredients

- 1-3/4 cups boiling water
- 2-pkg (6-oz. each) JELL-O Strawberry Flavor Gelatin
- 3/4 cup cold water
- 1 cup worm-shaped chewy fruit snacks, divided

Instructions

Step 1:

Spray JELL-O Halloween Brain Mold with cooking spray; set aside. Add boiling water to gelatin mixes in medium bowl; stir 2 min. until completely dissolved. Stir in cold water; pour into mold. Drape some fruit snacks over edge of mold.

Step 2:

Refrigerate 3 hr. or until firm. (Make sure you warn everyone that there's a brain growing in the refrigerator)

Step 3:

Unmold gelatin onto plate just before serving. Poke holes in gelatin with straw; insert remaining fruit snacks in holes.
