◊ Legal Disclaimers

Display Size: The display has rounded corners. When measured as a rectangle, the screen is 6.86 inches (iPhone 17 Pro Max), 6.55 inches (iPhone Air), 6.27 inches (iPhone 17, iPhone 17 Pro), or 6.06 inches (iPhone 16e) diagonally. Actual viewable area is less.

Scratch Resistance: 3x better scratch resistance of Ceramic Shield 2 is compared with previous-generation iPhone.

Power and Battery: All battery claims depend on network configuration and many other factors; actual results will vary. Battery has limited recharge cycles and may eventually need to be replaced. Battery life and charge cycles vary by use and settings. See [apple.com/batteries](#) and [apple.com/iphone/battery.html](#) for more information.

Apple Intelligence: Available in beta. Some features may not be available in all regions or languages. For feature and language availability and system requirements, see [support.apple.com/121115](#).

Roadside Assistance, Emergency SOS, and Messages via Satellite: Satellite features are included for free for two years with the activation of any iPhone 14 or later model. Connection and response times vary based on location, site conditions, and other factors. Some satellite features require a carrier plan. SMS messaging via satellite is available on supported carriers. SMS message rates may apply. Satellite connectivity is provided by Globalstar and its affiliates. See [support.apple.com/kb/HT213885](#) for more information.

Crash Detection: iPhone 14 and later can detect a severe car crash and call for help. Requires a cellular connection or Wi-Fi calling.

USB Transfer Speed: 20x faster transfers for iPhone 17 Pro models with USB 3 compared with USB 2. USB 3 cable with 10Gb/s speed required.

Feature, App, and Service Availability: Features are subject to change. Some features, applications, and services may not be available in all regions or languages.
