

# Betty Crocker PEEPS Cookie Nests

## Ingredients

- 1 pouch (17.5 oz) Betty Crocker™ Sugar Cookie Mix
- Butter and egg called for on cookie mix pouch for drop cookies
- 3 3/4 cups from 3 tubs (16 oz) Betty Crocker™ Rich & Creamy Vanilla Frosting
- Betty Crocker™ assorted gel food colors
- 60 Just Born® jelly beans
- 20 PEEPS® brand marshmallow chicks

## Instructions

### Step 1:

Heat oven to 375°F. In large bowl, stir cookie mix, butter and egg until dough forms. Shape dough into 20 (1 1/2-inch) balls. Place balls 3 inches apart on ungreased large cookie sheets.

### Step 2:

Bake 9 to 12 minutes or until edges are light golden brown. Cool 2 minutes; remove from cookie sheets to cooling rack. Cool completely, about 30 minutes.

### Step 3:

Measure 1 1/4 cups frosting into each of 3 small bowls. Stir red gel food color into 1 bowl to desired color, stir yellow gel food color into 1 bowl to desired color, and stir blue gel food color into 1 bowl to desired color.

### Step 4:

Working with 1 color at a time, transfer frosting into decorating bag fitted with star tip. Leaving 3/4-inch circle near center of cookie, pipe a continuous swirl of frosting around to within 1/2 inch of edge of cookie. Top with another swirl of frosting to build up “nest” with a small well in center of cookie.

### Step 5:

Add 3 jelly beans to center well of cookie; top with PEEPS® chick. Continue for remaining cookies and frosting colors.
